

Cut the Cost of Auto Insurance

If you want to lower your car insurance, look for these discounts and shop around!

1. Insure more than one car with the company;
2. Bundle your homeowners or renters insurance with your auto insurance coverage;
3. Inquire about discounts for anti-theft devices;
4. If you insure your child, a B average or above in high school or college may yield a significant discount;
5. Lump sum and/or automatic or paperless payment may get you a discount;
6. Believe it or not, some insurers offer a discount for daytime running lights on your vehicle;
7. If you can prove you drive 5,000 miles or less per year, you may be entitled to a discount.

For more information, view the recent Bankrate.com survey of the discounts offered by the ten largest auto insurance companies at bankrate.com/auto-insurance.
